

Ulaanbaatar, 09 July 2021

Update regarding our Mongolia flights

Due to the coronavirus (COVID-19) outbreak in around the globe, our Ulaanbaatar flights are suspended until 01 September, 2021.

As the airline that always puts the travel security at the forefront, Turkish Airlines will continue to monitor the latest developments on the situation with the national and international health authorities and take appropriate precautions.

We offer cancellation and route/date change options free of charge to our passengers with tickets for international flights. For detailed information please visit www.turkishairlines.com, contact the international call centre at +90 212 444 0849 or visit any Turkish Airlines sales office.
